I cancelled the Wed. meeting – not much to report.

We should get the Reg. 10 response on Portland Harbor by the end of the month and then post both of them at the same time on the web.

Nothing new from GAO, we are sending them any CSTAG memos and responses, and any Tier 1 memos they could not find.

No new news on the lower Passaic, still hoping to issue ROD in Feb. May be disputes on the 17 mile RI/FS, going to schedule a CSTAG meeting on this RI/FS sometime this year, and probably on the Newark Bay RI/FS too.

Housatonic – in mediation

No news on Jim H's backfill.
